The Backyard Betties, based in Calgary, Alberta, Canada, offer an authentic folk/ Americana style show. The band engages audiences with Nancy Laberge's witty banter and heartfelt original songs, the high-energy background vocals of Pip Hazell, the vocal-harmony and driving beats of Sarah Nielsen and the captivating lead guitar of Mark Cassano. Together, they skillfully communicate personal experiences of love, life, and loss through their music, creating a genuine and relatable connection with their listeners.

The Backyard Betties are proud to introduce their newly refined sound featuring a three-part harmony of unique female voices. This distinctive vocal blend has garnered them invitations to multiple events and venues throughout Alberta and British Columbia. In July 2023, they completed a showcase at the National Women's Music Festival in Wisconsin, earning an invitation back as a full-stage act in 2024. Additionally, the group is set to participate in the Folk Alliance in Kansas City in 2024, as part of the Alberta Room. The Backyard Betties have stepped up their game with two new releases (released under Nancy Laberge). The first, "Forgiveness and Grace," was nominated for a YYC Music Award in 2022 and became a semi-finalist in the International Songwriting Competition. The second release, "Just Leave," received a nomination for a YYC Music Award in 2023. Notably, Nancy achieved international recognition by securing the People's Choice Award at the esteemed Edinburgh Folk Club's 47th Annual Songwriting Competition.
